ARF ANNOUNCES SCHOLARSHIP PROGRAM

(Wainscott, NY—June 24, 2011) The Animal Rescue Fund of the Hamptons has many wonderful cats and dogs available for adoption, but some find homes faster than others. In hopes of finding all of its animals loving homes as quickly as possible, ARF is starting a Scholarship Program. This program is specifically designed to help older animals and some of special needs animals with minor medical conditions, find homes. The scholarship program will provide financial assistance to people adopting these special cats and dogs.

- Free annual exam at ARF by ARF veterinarian Dr. Sarah Alward, along with vaccines and heartworm test.
- Discounted flea/tick/heartworm and other medications that are prescribed ONLY at time of annual exam.
- Adoption fee waived.
